

NOVA 12

Durable 12000 lumen work light

NOVA 12 is an extremely powerful and energy-efficient LED floodlight that provides universal functionality, perfect for professional users in all working environments, and equipped with a 5 m H07RN-F rubber cable.

NOVA 12 is built to withstand tough work environments, with an IP67 rating ensuring durability and resistance to water and dust. Its sturdiness allows it to endure rough, wet, and dirty conditions, making it suitable for outdoor work in all weather.

With the integrated BLUETOOTH light control feature you can easily control up to four work lights. BLUETOOTH light control also makes it possible to turn on/off the lamp and adjust the light output to suit the work task in question. The BLUETOOTH light control application is perfect when working with one or more hard-to-reach lamps, for example positioned on the SCANGRIP TRIPOD. For those seeking diffused light, a diffuser can be acquired as an add-on. SCANGRIP provides a wide range of accessories to increase the functionality of the work light for all types of working situations.

Powered by a high efficiency multi-LED design of 200 LEDs, NOVA 12 offers an adjustable light output up to incredible 12000 lumen. The OPTILight setting delivers the required illuminance (LUX) in a typical work situation, ensuring optimized light with a simple touch. This work light provides a constant lumen output performance measured according to the European standard EN 13032-1.

PRODUCT IMPROVEMENTS

- 6 % efficiency improvement
- 52 % recycled material
- OPTILight functionality
- Dedicated buttons for on/off and brightness levels
- Temperature surveillance to protect the lamp
- Rough service certified
- Warranty extended from 3 to 5 years
- New colour scheme

A pioneering approach that focuses on reinventing the design and functionality of LED work lights and optimizing energy efficiency to the utmost. With a focus on sustainability, traditional standards are rethought, and boundaries are pushed to extend the lifespan of lighting solutions.

Keep the light you love.
